

REMARKS

Claims 65-68, 70-77, 79-90, 92-96, and 98-105 remain pending in the application. The pending claims presently are rejected for double patenting in view of a number of co-pending applications. A corrected Terminal Disclaimer is being filed concurrently herewith thereby obviating the double patenting rejection.

It is believed that the pending claims are now in condition for allowance. If a telephone conference would facilitate prosecution of the application, the undersigned can be reached at (310) 824-5555.

Respectfully submitted,

FULWIDER PATTON LEE & UTECHT, LLP
